Dear Parents,

Our warmest welcome to you from everyone at First Baptist Church Powder Springs Weekday Preschool Program. Selecting your child's preschool is an important decision, and one that will leave a lasting impression as you prepare your child for the future.

From the beginning, our program has used the timeless philosophy of teaching the whole child. We believe a theme-based curriculum coupled with age-appropriate activities encourage creativity and allow children to grow as individuals.

Our goal of building positive attitudes towards learning cultivates children into becoming life-long learners. We want every child who comes through our doors to feel that he or she is loved and is a special gift from God.

Again, thank you for your interest in our Weekday Preschool Program. If you would like additional information or would like to schedule a tour, please contact us at 770-439-2087 or via email at lisah@fbcps.org. We look forward to seeing you soon!

In Christ,

Lisa Hawley
